The **Renato Baldi CF01 wood-look rifle** in 9.3x62 caliber is designed for big game hunters looking for a modern, reliable, and aesthetically pleasing weapon. Its design combines the robustness of a synthetic stock with the timeless elegance of wood.

A rifle optimized for hunting

Its **56 cm free-floating barrel** with M14x1 thread guarantees remarkable accuracy and allows the mounting of accessories such as a muzzle brake or a moderator. The **adjustable battue rib** and the **fiber optic front sight** ensure rapid target acquisition, even in dynamic action.

3-lug breech and tilting magazine

The **3-lug slide** offers fast and secure locking, with a reduced angle for greater fluidity. Its **3+1 tilting magazine** integrated into the receiver ensures reliable and convenient reloading, ideal for driven hunts.

Resistance and aesthetics of the wood-look stock

The **wood-look synthetic stock** combines the benefits of a modern material—strength, lightness, and weather resistance—with the elegance of traditional grain. The **rubber pad** adds to the shooting comfort by effectively cushioning recoil.

Choose the Renato Baldi CF01 wood-look 9.3x62 rifle: the perfect balance between tradition and modernity for your driven hunts.
