Power and speed for driven hunts, in an elegant style.

The **Renato Baldi CF01** in 9.3x62 caliber is a bolt-action rifle designed for driven hunts. Its threaded barrel, tilting magazine, and synthetic wood stock make it an effective and comfortable weapon.

- **Caliber:** 9.3x62
- **Capacity:** 3+1 shots
- **Barrel:** 56 cm threaded M14x1
- **Bolt:** with 3 studs
- **Charger:** integrated tilting
- **Stock:** synthetic with a wood-like appearance
- **Safety:** lateral
- **Weight:** 3.47 kg
- **Hand:** Right-handed

Powerful and responsive hunting rifle

The **Renato Baldi CF01** in 9.3x62 is designed for the most dynamic hunts. This powerful caliber is perfectly suited to **big game** , especially driven hunts where engagement distances are short but reaction time is paramount. Its modern design optimizes shooter comfort and safety.

M14x1 threaded floating barrel

The **56 cm** free-floating barrel offers a good balance between maneuverability and accuracy. The **M14x1** thread allows for quick mounting of a **muzzle brake** or **suppressor** . A thread cover is included to protect the muzzle when no accessories are installed.

Beating aim: speed and precision

Thanks to its **adjustable rib** and **fiber optic front sight** , this rifle allows for **rapid target acquisition,** even while moving. A key advantage when shooting moving game.

Smooth and safe mechanics

The **three-lug** bolt ensures **rapid locking** and high strength. Its reduced opening angle promotes quick action, while the integrated **tilting magazine** facilitates reloading while maintaining a sleek and ergonomic profile.

Synthetic stock imitating wood

Robust and weather-resistant, the synthetic stock faithfully replicates the look of oiled wood. It offers **excellent grip** with its molded checkering and increased **shooting comfort** thanks to the **rubber recoil pad** .

FAQ

Is the barrel compatible with a muzzle brake?

Yes, the M14x1 thread allows for the installation of a standard muzzle brake or sound moderator.

Is the charger removable?

No, this model is equipped with an integrated tilting magazine, convenient for quick reloading during driven hunts.

Can a scope be mounted on this rifle?

Yes, the housing is machined to accept a suitable rail or optical mounting collars.
