The **Renato Baldi CF01 synthetic 9.3x62 rifle** is a modern and efficient weapon, designed to meet the needs of big game hunters in driven hunts. Its robust design and reliability make it a safe choice for facing the most demanding conditions.

Threaded barrel and precision in action

With its **56 cm free-floating barrel with M14x1 thread**, the **CF01** allows for easy attachment of accessories (muzzle brake, moderator) and ensures consistent accuracy. Its **battue rib with adjustable blade** and its **fiber optic front sight** guarantee rapid acquisition of moving targets.

3-lug breech and fixed magazine

Equipped with a **3-lug slide**, this rifle offers a fast and secure locking with a reduced angle, ideal for responsiveness in driven hunts. Its **fixed 3+1 round magazine** integrated into the housing ensures smooth and reliable feeding.

Comfort and robustness of the synthetic stock

The **black Soft Touch polymer stock** provides strength and lightness, while resisting bad weather and intensive use. Its **rubber pad** effectively absorbs recoil for increased comfort during repeated shots.

Choose the Renato Baldi CF01 synthetic rifle: a reliable, modern weapon designed for driven hunting of big game.
