Lenz heated clothing allows you to stay comfortably on the lookout or hunting even in cold or wet weather.

- Used in combination with Lithium batteries and the integrated heating element, Lenz heated socks keep feet warm for up to 14 hours.
- Delivered in dark green or black depending on arrivals.
- Sizes available from 35 to 47.
- **Batteries supplied**

The socks are knitted left/right for a perfect fit thanks to the circular bandage. Padding protects the toes and heel. The natural merino wool combined with technical fibers absorbs moisture to keep only the heat.

Lenz heating garments make it easy to stay on the lookout or hunt in a comfortable way even in cold or wet weather.

Thanks to their 3 heating levels, they adapt to all uses and offer maximum autonomy. Resolutely modern, they fly directly to your smartphone.

- Socks with integrated heating elements.
- Excellent moisture transfer.
- Ergonomic cut with reinforcements and protections on the areas stressed by the constraints.

- 47% polyester | 24% polyamide | 14% merino wool | 10% polypropylene | 5% elastane.
