Shooting helmet with ergonomic pad

The CAS1047 ear defenders from NUM'AXES provide effective hearing protection against the noise of firearms and equipment such as lawnmowers and jackhammers. The ergonomic cushions ensure comfort for the wearer, even during prolonged use. Its slimmer cups make it easier to shoulder the weapon.

Noise attenuation of approximately 28 dB.

The use of a firearm or devices such as a lawnmower exposes the hearing aid to loud noises which can cause side effects (ringing in the ears, hearing loss, etc.).

This noise canceling headset is guaranteed for 2 years.

Find out [how to choose effective hearing protection for hunting and shooting](#) with this very comprehensive technical guide.

Available in black/orange colors
