Adaptateur pour armes d'alarme + 10 projectiles - Self Gomm

Adapter for blank pistols and revolvers. Comes with 10 18mm caliber rubber bullets.

The self-gomm spear tip protection ball is an element to screw on the barrel of your alarm and signaling weapon, to turn it into a protective weapon.

Self-gomm projectiles made from a rubber material, develop an energy able to neutralize a possible aggressor while minimizing the risk of injury or death.

Danger: Make sure that the weapon is disarmed when placing the self-gumming tip and loading the rubber ball.

Les prix de vente conseillés sont mentionnés à titre indicatif. Les armuriers sont libres de vendre au prix qu'ils souhaitent. Textes et photos non contractuels, sujet à modification.
