Electroshock of 200 000 volts with defense spray with "chilli OC" (Oleoresin Capsicum).

The SCORPY 200 is a two-in-one defense device that combines the power and crackle of a 200,000 volt electroshock with the incapacitating and neutralizing power of a defensive gas sprayer. Increase your chances of defending yourself in any situation with the SCORPY 200 and choose the best method of defense appropriate to the type of attack.

Can be used easily with one hand against an attacker.

- With wrist strap making the device inoperative, if it is torn from its user.
- Rechargeable Spray (charge supplied) works with a 9 volt LR61 type battery (not included).

Made in Europe.
