Designed by John Browning in 1911, the **1911 Government** has become one of the most iconic pistols of the 20th century. Adopted by the U.S. military, it is renowned for its reliability and balance. The **TISAS ZIG PC 1911 Black** continues this tradition by adding contemporary features adapted to the current needs of sport shooting.

Two calibers to choose from

The model is available in **.45 ACP** , the original caliber of the 1911, or in **9x19 mm** , appreciated for its flexibility and more accessible ammunition cost. A flexibility that allows each shooter to choose according to their preferences.

Ergonomics and control

Thanks to its elongated safety pedal and **textured pads** , the grip is firm and secure. The **front and rear grip ridges** make it easy to manipulate the slide for loading and unloading. The **two pairs of interchangeable pads** allow you to choose a deeper or shallower grip, depending on your preference. The gray deep-grip pads have a **thumbprint** for the right hand.

Integrated Picatinny rail

A **21mm lower rail** allows for the addition of modern accessories such as a light or laser, providing more possibilities for use in the shooting range.

Colt Series 70 Compatibility

Internal components are compatible with **Colt 70 Series** parts, ensuring easy availability of replacement parts and an ideal basis for customization.

Black finish

The black finish provides additional protection against wear and tear and creates a sleek, modern look. A suitable solution for shooters who value discretion and durability.

Complete kit

Each pistol comes in an ABS case with two magazines, two sets of interchangeable grips and a maintenance kit including **Flunatec** products. A complete, ready-to-use setup.

- **rail:** Picatinny 21 mm
- **trigger start weight:** 2.5 kg
