Designed in 1911 by **John Browning** , the **Colt 1911** is one of the most iconic **pistols** in history. Used by the U.S. military for over 70 years, it has become a worldwide standard for its reliability and balance. The **TISAS ZIG PC 1911 Inox** builds on this legendary foundation with modern improvements tailored to sport shooting.

Two calibers to choose from

The model is available in **.45 ACP** , the historic caliber of the 1911, and in **9x19 mm** , appreciated for its shooting comfort and its more economical ammunition cost. Each version retains the classic lines while meeting the current expectations of shooters.

Ergonomics and comfort

The extended safety pedal and textured pads enhance **stability and control** . **Front and rear grip ridges** on the slide make it easy to operate, even with gloves on. Two **sets of interchangeable pads** allow for a choice of grip depth. The gray pads have a thumbprint for the right hand.

Picatinny rail

A **21 mm lower rail** allows the installation of modern accessories such as a lamp or a laser, useful on indoor shooting ranges or for training.

Colt Series 70 Compatibility

The **ZIG 1911** 's internal parts are compatible with the **Colt 70 series** . This ensures high parts availability and extensive customization potential.

Stainless steel

The stainless steel frame and slide provide excellent corrosion resistance and simplify maintenance. The stainless steel also gives this model a modern and elegant look.
