A revisited 1911

This **Tisas ZIG PC 1911 FDE** incorporates the classic architecture of the 1911 Government while incorporating modern developments. Its TAN color finish gives it a distinctive style and its

integrated Picatinny rail opens the way to customization with a light or laser.

Optimized ergonomics

With its elongated **beavertail** -style safety pedal, openwork hammer and rounded trigger guard, it ensures a firm and comfortable grip. The textured G10 polymer grip pads guarantee maximum grip.

Performance and precision

The 5-inch barrel and over 16 cm of crosshairs promote clear and consistent aiming. The single-action, open-worked trigger, set at 2.5 kg, offers a clean and consistent pull, appreciated for precision shooting.

Forged carbon steel

The **forged carbon steel** frame and cylinder head ensure strength and durability. This material is renowned for its mechanical strength and longevity, even under heavy use.

Colt Series 70 Compatibility

The internals of this **1911 Tisas** are compatible with Colt Series 70 standards, making it an excellent base for upgrading and customization. An ideal opportunity for avid shooters looking to personalize their weapon.
