The **TISAS ZIG PCS 1911 Stainless Steel 4.25''** is a compact and modern version of the famous 1911 Commander. Designed for sport shooting, it combines the robustness of stainless steel with careful ergonomics and advanced customization options. Its 4.25'' format makes it a versatile pistol, appreciated by shooters seeking reliability and comfort on the firing line.

Ergonomics and safety

This model incorporates the classic lines of the 1911 with modern improvements. The **extended safety pedal** , also called "beaver tail", improves the grip and prevents any pinching. The **openwork stainless steel trigger** offers a clean release set at 2.5 kg, appreciated for regularity in the range.

Compatibility and customization

The **ZIG PCS 1911's** internals are compatible with **Colt 70 Series** parts, making it an ideal base for customization or performance enhancements. The two included pairs of grips allow the weapon to be customized to the user's style and comfort.

21mm Picatinny Rail

The **lower Picatinny rail** allows for easy mounting of a tactical flashlight or laser, providing valuable modularity for sport shooting sessions in varied conditions.

Complete kit supplied

The weapon comes in a sturdy ABS case, with **two magazines** , **two sets of grips** (black checkered and gray reinforced grip), as well as a FLUNATEC maintenance kit including degreasing solvent, ceramic lubricant and cleaning accessories. The gray reinforced grips have a thumbprint for the right hand.

Stainless steel

The use of **stainless steel** for the slide and frame ensures excellent corrosion resistance and ease of maintenance, an important asset for regular shooters.

- **operation:** single action (SA)
- **gripping ridges:** front and back
