Effectively remove gunshot and copper residue inside the barrel

- Fits rifled and smooth barrels of handguns and long guns
- Do not apply to bronzed or treated metals, plastic or wood.
- Allows effective deep cleaning of the barrel and rifling.
- Non-abrasive for barrels.
- Weight: 50g

Manual :

- Carry out a first rough cleaning using a cleaning cord or a swab in order to remove the main shooting residues
- Impregnate a felt pad, a calibrated patch or a nylon swab with the FLUNATEC Gun Cleaner, and apply it evenly inside the barrel
- Let the product work for 10 minutes
- Move back and forth from the chamber using a cleaning rod and a bronze swab to remove residue
- Use a degreaser to remove all Gun Cleaner and residue. The patch should come out intact.

The FLUNATEC GUN CLEANER paste allows a thorough cleaning of the barrel, with an elimination of stubborn residues which can agglomerate in the scratches.

This product will allow you to maintain the precision of your weapon and its regularity in the shots.
