**For cleaning rifle scopes, red dots, binoculars, and spotting scopes...**

- For cleaning lenses, plastics, tubes and rubber coated optics
- Strong cleaning power against dirt, grease, fingerprints, insects...
- Cleans without leaving residue
- Gentle alcohol-free formula

The FLUNATEC OPTIK PRO has a wide range of applications.

Besides the world of shooting and hunting, this product can be suitable for cleaning multiple means of vision and protection, such as glasses, sunglasses, masks and helmets...

The FLUNATEC OPTIK PRO allows effective cleaning of its shooting optics which have been subjected to bad weather, dust or mud, in order to regain optimal clarity and shooting comfort.

Before using this product, the optics should be dusted with compressed air in order to remove all solid residues that could cause scratches.
