A compact and powerful rifle for big game hunting.

A superb rifle for hunting big game and more specifically wild boars.
Compact and easy to control rifle thanks to the reduced barrel length, the microcell butt plate and the adjustable cheek piece. CNC machined case.

Solidity and easy handling, typical of guarded lever models. The ballistic precision and stopping power of the patented PMG rifled barrel in 30-30 Winchester caliber make this rifle ideal for European and American big game hunting.

- Synthetic adjustable stock with pistol grip and adjustable cheekpiece.
- 483 mm barrel with 6 rifling at a pitch of 305 mm (1:12")
- Threaded barrel for mounting a sound moderator or muzzle brake.
- Adjustable rear sight and dovetail fiber optic front sight.
- Capacity: 5+1 shots.

The **Pedersoli Droptine Lever Action 30-30 Win rifle** embodies the tradition of lever-action rifles, while benefiting from modern innovations. Compact, robust and accurate, it is designed for demanding hunters looking for a reliable weapon for big game.

A compact and handy rifle

With its short 483 mm barrel and a total length of only 95 cm, the **Pedersoli Droptine** is ideal for forestry or driven hunting. Its adjustable techno-polymer stock and adjustable comb provide optimal comfort and a perfectly adapted grip.

The accuracy of the PMG gun

The patented **PMG** rifled barrel, with 6 grooves at a pitch of 1:12'', guarantees excellent ballistic accuracy. Threaded at the muzzle, it allows the mounting of a sound moderator or a muzzle brake for greater versatility. The fiber optic front sight and the adjustable rear sight complete an efficient and fast aiming system.

A legendary caliber for big game

Chambered in **.30-30 Winchester** , the iconic caliber of American hunting, the **Droptine** also appeals to European hunters with its stopping power and effectiveness on **wild boar** and other driven game.

Innovation and shooting comfort

Equipped with a **Microcell** recoil pad, the rifle effectively absorbs recoil for a more comfortable shot. Its specially designed ergonomic trigger guard allows for smooth reloading, even with gloves.

The **Pedersoli Droptine Lever Action 30-30** is a modern, high-performance rifle designed to meet the needs of hunters passionate about big game, whether on a driven hunt or from a stalking hunt.
