Power, precision and ease of cocking for all profiles.

The **BARNETT Recruit XP** is a versatile crossbow designed to offer power, precision, and ease of use for **hunting** and **target shooting** . It comes with a red dot sight, side quiver, string wax tube, cocking aid, and two 20" Headhunter bolts.

- **Speed:** 350 FPS
- **Power:** 150 lbs
- **Energy:** 92 ft-lbs
- **Weight:** 2.7 kg (6 lbs)
- **Power stroke:** 13.6"
- **Length:** 90 - 96.5 cm
- **Width (army):** 13"
- **Relaxation:** TriggerTech

An affordable and high-performance crossbow

The **Recruit XP** stands out for its ease of use. With a **150 lb** pull weight, it remains simple to cock, especially thanks to the included rope system which reduces the effort by half. In practice, this allows for longer and less tiring sessions.

Speed and precision guaranteed

Capable of reaching **350 FPS** , it offers a flat and precise trajectory. Combined with a **TriggerTech** trigger, the break is crisp, without any chatter - a real plus for consistent and controlled shots.

Security and embedded technology

The **Anti-Dry Fire** system prevents dry firing, thus protecting the mechanism. The shot sensors add an extra layer of safety, providing reassurance during use.

Ergonomics and ease of use

Its adjustable stock allows the crossbow to be adapted to different body types. The **pass-through foregrip** improves handling, while the structure remains balanced and comfortable to use, even over extended periods.

Complete, ready-to-use equipment

Delivered with essential accessories, it is immediately operational. The illuminated sight, side quiver, and included bolts allow for quick deployment.

Additional features

- **Rail:** Aluminum Flight Track
- **Line retention:** Soft-Lok bristle retainer
- **Armament:** Rope cocking device included
- **Assembly:** Quick and easy
