A90150	MONTAGE PICATINNY CLAMP STRIKE INDUSTRIES POUR FUSIL A POMPE CAL 12	Vente libre	100.00 € incl. tax

Allows you to attach a lamp to your shotgun

- Machined from 6061-T6 aluminum with black anodization
- Clamp system taking on the barrel and the tubular magazine
- Equipped with a Picatinny rail for mounting a light, laser or other accessories
- QD quick release for strap
- Supplied with screws, tools and Loctite

- Compatible with most 12 gauge shotguns (BENELLI M2/M4, Remington 870
- Not compatible with MOSSBERG 500, 930

One side of the clamp is equipped with a Picatinny (Pic) rail for mounting a light or other accessory. On the other side you have a 360° swivel QD (quick detach) socket for an easy sling attachment point. The user can choose the side of the Pic rail or the QD. Compatible with most common 12-gauge barrels and feed tubes, this lightweight clamp is made from 6061-T6 aluminum.

WARNING :
- Due to metal to metal contact there is always a risk of damaging the finish/coating.
-Before each use, always check the proper functioning of your QD holder and possible wear due to use.

Accessories for shotgun, allowing the assembly of a lamp or laser. An innovative solution to equip your weapon without a mounting system.
