Designed for the general public, these boots accompany you in town, by the sea or in the countryside.

With its two white stripes, the Goeland rain boot is an iconic model of the brand, specially designed for seaside activities. Also available in a color-block version.

- Soft and comfortable upper
- Durable lining
- Grip and cushioning.

- Total sealing

  The boot is made of natural rubber to ensure total waterproofing. Not a pair slips through the cracks: the waterproofness of each pair of boots manufactured is tested! The boot is filled with air and then submerged in water. If no bubble appears, it fulfills its functions and can now accompany you.

- Upper: Majority natural rubber.
- Lining: 65% polyester and 35% cotton.

- Outsole: Rubber.
