The heaters diffuse up to 8 hours of pleasant warmth.

Thermopad thermal insoles adapt to any shoe and provide pleasant warmth to the feet, even when outside temperatures are very low. Thermopad heated insoles are manufactured to the highest quality standards and are automatically activated upon contact with oxygen.

Thermopad heating products produce a pleasant warmth for the feet and hands. They have been designed specifically to be placed in gloves, shoes or pockets.

The heaters provide between 6 and 8 hours of continuous heat. To activate them, you only have to add air. Simply open the package, take out the heater, shake it for a moment and in a few seconds you will get comfortable, healthy and effective heat.

Cartons of 30 pairs sold to gunsmiths.
