Discover the Blazer series with M-Lok type handguard, silencer and delta stock.

The most important development of the new generation 2 Proline is undoubtedly the original addition of an ETU electronic trigger and a protection mosfet. This trigger allows increased responsiveness, finer trigger travel sensitivity, low voltage battery protection, gearbox collar cycles, spring pre-compression for a much faster start of shooting, etc. small revolution, always at an affordable price.

Tan handguard and stock version and black receiver
