Keep in touch with nature, protecting your senses!

Sordin Supreme Pro-X LED is the luxury version of the Supreme family. It comes standard with GEL sealing rings for added comfort. The integrated LED light makes life in the dark easier. The light can be easily turned on and off by pressing the + and - buttons simultaneously. The light is conveniently mounted in the left cup for optimal illumination.

- SordinHEAR2 interior offering excellent sound quality and four different audio profiles (hunting, focus, shooting and communication)
- LED lamp that automatically turns off after three minutes
- Tested to IP67 standard

The Supreme Pro and Supreme Pro-X headphones attenuate harmful sounds to a safe level of less than 82db(A) while integrating the "Hear2" system which offers 4 modes of amplification of ambient sounds:

- Hunting: Balances vocals and ambient sounds for comfortable listening.
- Focus: the highest amplification on all frequencies for maximum listening.
- Tir: Filters unnecessary and harmful frequencies for better concentration.
- Comms: Turns off ambient sound and only keeps sound from devices plugged into the 3.5mm jack.

Technical characteristics :

- Foldable headband
- Sound quality Stereo
- Sound power limited to 82dB (A)
- Audio input
- Amplification of ambient noise

- Volume setting memory
- Low battery prevention alarm
- Battery type (2 batteries) AAA/LR03
- Battery life, in hours approximately 600 hours
- Weight (without batteries) 310 g
- SNR = 25 dB, H = 30 dB, M = 22 dB, L = 14 dB
- Standards: EN 352-1, EN 352-4, EN 352-6

The Supreme Pro and Supreme Pro-X offer attenuates harmful sounds to a safe level below 82db(A) while "weak" sounds (distant calls, broken branches and twigs, footsteps on leaves) are amplified: the alliance of protection and comfort. Ideal for big game and approach hunting!

Waterproof microphones placed on each ear allowing precise localization of the source.

Incorporates a micro LED light to inspect your weapon or the contents of your bag while keeping your hands free.

3.5 jack audio input for MP3 player

Equipped with a SILICONE PADS Kit for a comfortable helmet to wear

Explore the technical guide How to choose earmuffs for hunting and shooting? which explains all the criteria for choosing effective hearing protection.
