The Spika Drover Hydro 15L hydration pack is the ultimate short-term hiking bag for outdoor activity enthusiasts!

The bag is equipped with a 2-liter Drover bladder, ensuring you have enough water to stay hydrated during long-distance exercises or all-day hunts. The bag's breathable shoulder straps and slim design make it easy to carry, allowing you to stay agile and cover more ground efficiently. The Spika Drover Hydro Pack is equipped with Duraflex hardware and YKK zippers to ensure its durability and longevity. The bag's exterior attachment points and front pocket provide additional storage options and store your hunting or outdoor items.

Made with a DWR-treated 500 denier nylon body and reinforced base, this bag is built to last and withstand harsh outdoor environments. The double-zippered main compartment ensures easy access to your belongings.
