The NORMA Whitetail ammunition line is loaded with the highest quality brass that meets and exceeds the standards set by reloaders.

The 9.3x62 285g Norma Whitetail is a heavy game ammunition designed for both driven and stalking hunts. It combines stopping power, controlled expansion, and deep penetration in a caliber that has been recognized for its effectiveness for over a century.

- **Bullet Type:** Soft Point (exposed lead tip)
- **Bullet weight:** 285 grains / 18.5 g
- **Structure:** Flat-based warhead, expanding lead core
- **Initial velocity:** 720 m/s
- **Energy at the mouth:** 4797 joules
- **Box of:** 20 cartridges

An ancestral caliber, still formidable in its efficiency

The 9.3x62 is a must-have for big game hunting, especially in Europe. Norma pays tribute to it with this 285-grain Whitetail cartridge, featuring a fast-expanding Soft Point bullet, ideal for stopping a moving wild boar, deer, or elk in its tracks.

Speed

- V0 720 m/s
- V100 645 m/s
- V200 575 m/s
- V300 511 m/s

Energy

- E0 4797 J
- E100 3854 J
- E200 3063 J
- E300 2412 J

Ballistic behavior and regularity on impact

Designed for shots up to 200 meters, this ammunition maintains excellent residual energy even at long ranges. Its moderate trajectory is offset by its immediate stopping power on robust game:

- Ideal ammunition for hunting European big game
- Compatible with modern bolt-action or express rifles
- Good recoil management for a caliber of this power
