Traditional power for tilting weapons dedicated to big game.

The NORMA Whitetail features NORMA's famous high-quality brass cases that allow the shooter to maximize their investment in NORMA ammunition. The cases are well known for their superior consistency and ease of reloading, thanks to the perfect blend of high quality copper and zinc, as well as a long heritage of in-house developed manufacturing techniques.

Classic ammunition for demanding hunters in express mode

The 8x57 JRS is a shoulder-mounted caliber designed specifically for break-action rifles. Norma offers it in a 196-grain Whitetail Soft Point version, particularly suited to express and mixed rifles, with moderate pressure but formidable effectiveness in the field.
