**With Lee's Pro 4000 press you have a true progressive press for a lower budget than premium single-station presses.**

Included, a set of 3 carbide tools, a "Shell Plate" socket tray holder, a universal socket dispenser, an Auto-Drum powder dispenser, a Safety Prim primer dispenser; everything you need to start charging. With 'Breech Lock' system! Quick lock for Breech Lock press. This system allows you to keep your tools adjusted and disassemble or reassemble them in 1 second on your press.

- Easy to use, without any adjustments
- Modular construction allows for as much or as little automation as the operator desires without any adjustments.
- Change cartridge in seconds, even primer size without any adjustment
- Thanks to the Breech Lock system, you can assemble and disassemble your already adjusted tools in a few seconds
- Exclusive automatic holster placement system without adjustment
- Recovery of used primers in a tube under the piston
- 4 station press
- Delivered with small and large primer
- Ergonomic wooden handle

- Hex wrenches for gauge changes with built-in storage rack for tools included.

**Included in this kit:**

- A set of 3 carbide tools
- A “Shell Plate” socket tray support
- A universal socket dispenser
- An Auto-Drum powder dispenser
- A Safety Prim primer dispenser
- 4 colored Spline Drive Breech Lock bushings
