| LE391 | Load-All II cal. 20 #90012 | Vente libre | 139.00 € incl. tax |

**The Lee Load All-II press is intended for reloading smoothbore hunting calibers 12, 16 and 20.**

Equipped with the all-new Roller Handle, the Pro 1000 offers an innovative approach. Its unique lever incorporates an ergonomic wooden handle for optimal comfort, mounted on bearings. The entire linkage is made of solid steel. Carbide Tool Sets are specifically designed for handguns. The Pro Auto-Disk Doser and the Automatic Primer Dispenser complete this configuration. Full instructions in French are included, as well as the possibility of adaptation with the Bullet Feed Kit.

The Lee Load-All II press allows you to reload 3 calibers 12, 16 and 2 with a single press just by changing the tool kit to adapt to the caliber you need.
