LE133	Lee Breech Lock Bullet Sizing Kit #91532	Vente libre	29.00 € incl. tax

Steel support for your reloading tools.

Recalibration kit for Lee Breech Lock press. The kit includes the mounting body incorporating Lee's Breech Lock quick change feature. The body accepts the new low-cost Bullet Sizer and Punch warhead sizer and driver. The new calibrator tool is made of hardened steel and specially designed to reduce calibration efforts. The calibration tool is retained in the mounting body with a double-threaded bottle adapter.

Fits all single station reloading presses equipped with Breech Lock, if you don't have a Breech Lock press but have a removable Bushing Die, upgrade it with the Lee Breech Lock 1 1/4-12 kit or 1 1/2-12.

Delivered without Alox liquid.
