Lee Precision Reloading Kit with Mono-Station Press and Accessories

A complete kit including all the essential accessories for reloading is presented to you on the occasion of Lee's 50th anniversary, the Challenger Breech Lock Kit.

- Breech Lock Challenger Press
- Perfect Powder Measure volumetric doser
- Balance Safety Scale
- Safety Primer Small and Large
- Sleeve shortener on Lee Value Trim press (universal part)
- Chamfering tool
- Primer housing cleaner
- Funnel
- Lubricant Tube
- 1 tool lock bushing (Breech Lock Bushing)

Meet the all-new Lee Challenger Breech Lock Press. Equipped with the latest "Breech Lock" system allowing instant tool change while preserving settings. The connection arms are now made entirely of steel, collecting spent primers in a tube located under the press.

And that's not all, the Safety Prime priming device is also included! Prime simply with the press of a button, a simple procedure and compatible with all brands of primers! Never again need to touch primers from the box to the case!

By adding a set of tools, you get a complete set for reloading your favorite calibers. From the priming process to cleaning, dispensing powder and controlling your loads with the scale, you will have everything you need to make your own cartridges.
