An essential item for transporting your rifle

Whether you're heading to the shooting range or out for a day's **hunting** , having a reliable **gun case** makes all the difference. This **vinyl** model offers a simple, no-frills solution, perfectly suited to the demands of the field. Its lightness and ease of handling are immediately appreciated, especially during frequent travel.

Effective everyday protection

The **vinyl** coating does its job perfectly: it protects the weapon from **scratches** , light moisture, and minor impacts. It's exactly the kind of equipment you keep for a long time because it fulfills all the essentials without compromise. The flexible design also allows for easy storage in a vehicle or gun safe.

Full-length zip closure

The **zip closure** system makes inserting and removing the rifle easy. In practice, this allows for quick and secure handling, while keeping the weapon properly secured inside the case. A real advantage for regular users.

Practical and ergonomic transport

The reinforced grips ensure a secure hold. In practice, this makes handling more comfortable, even with a somewhat heavy rifle. The elongated shape naturally conforms to the weapon's form, preventing unnecessary internal movement.

Choice of suitable lengths

Available in several sizes, this scabbard fits various types of rifles. It is important to note that the dimensions given refer to the **total length** of the scabbard, allowing you to accurately estimate its actual size.

- **Use:** transporting and protecting a rifle
- **Structure:** flexible
