The Canicom 800 dog booster collar is perfect for correcting your dog's bad habits. It will allow you to work up to a range of 800 meters depending on the nature of the terrain.

The Canicom 800 remote control is designed to control 1 or 2 training collars. The 2nd collar can be added at any time and is sold as an option.

The remote control is very easy to use, thanks to the LCD screen and the direct access keys.

The Canicom 800 assembly is also equipped with a "Booster" button for emergency situations.

Several modes are possible:

- beep warnings
- adjustable electrostatic stimulation: 15 levels
- "booster" button in case of emergency
