SKU	Designation	French Law	MSRP
TDC1040	Barrel support	Vente libre	20.00 € incl. tax

Chimney disassembly support for black powder revolver.

Many revolver owners need to remove the funnels from their barrels and they don't want to damage the finish by putting it in a pliers. Until now they used a piece of leather. This aluminum holder is very strong and can be held by hand or placed in a vice. It works with the majority of barrel sizes!

Delivered without barrel.
