SKU	Designation	French Law	MSRP
TDC1040	Barrel support	Vente libre	19.00 € incl. tax

### Chimney disassembly support for black powder revolver.

Many revolver owners need to remove the funnels from their barrels and they don't want to damage the finish by putting it in a pliers. Until now they used a piece of leather. This aluminum holder is very strong and can be held by hand or placed in a vice. It works with the majority of barrel sizes!

Delivered without barrel.
