The first plug & play hands-free accessory system for firearm repair.

The Smart-Assist Quick Dock System - Essential 3-Pack with Smart-Dock includes a docking station, magnifying glass, work light and cell phone holder. It is designed to be used as a stand-alone system or in conjunction with the Master Gun Vise and Master Gun Workstation.

The Smart-Assist Quick-Connect system provides hands-free support for clear visibility and easy recording of work. Its flexible arms attach independently to the Smart-Dock system for convenient accessory positioning.
