The NORMA Whitetail ammunition line is loaded with the highest quality brass that meets and exceeds the standards set by reloaders.

NORMA's Soft Point is a premier ammunition choice among deer and big game hunters around the world. Equipped with a flat base bullet, it guarantees consistent precision with every shot. The exposed lead tip and rapidly expanding lead core ensure rapid killing effect and deep penetration, delivering full energy into vital organs.

Features:

- Flat base bullet for consistent accuracy.
- Exposed lead tip for rapid killing effect.
- Rapidly expanding lead core.
- Deep penetration performance.

Precision Loading: The NORMA Whitetail is precision loaded in Åmotfors, Sweden, benefiting from the same care and consistency as all NORMA ammunition.

Norma Brass Case: Utilizes NORMA's high quality brass cases, renowned for their superior consistency and ease of reloading. Made with a perfect blend of high quality copper and zinc, the cases guarantee an optimal investment in NORMA ammunition. Their long heritage of in-house manufacturing techniques contributes to exceptional quality.
