Sharp accuracy and soft recoil for medium-range deer and fox shooting.

NORMA's Soft Point is a premier ammunition choice among deer and big game hunters around the world. Equipped with a flat base bullet, it guarantees consistent precision with every shot. The exposed lead tip and rapidly expanding lead core ensure rapid killing effect and deep penetration, delivering full energy into vital organs.

Features:

- Flat base bullet for consistent accuracy.
- Exposed lead tip for rapid killing effect.
- Rapidly expanding lead core.
- Deep penetration performance.

A soft ammunition, ideal for hunting light game

The .243 Win. Norma Whitetail is an excellent option for hunters seeking **maximum accuracy** without sacrificing comfort. Its lightweight, fast-firing Soft Point bullet delivers **crisp shots on deer, fox, and plains game** with minimal recoil.

Speed

- V0 900 m/s
- V100 779 m/s
- V200 667 m/s
- V300 566 m/s

Energy

- E0 2633 J
- E100 1972 J
- E200 1446 J
- E300 1041 J

Comfort, control and efficiency

With an initial velocity of 900 m/s and a very flat trajectory, this ammunition retains sufficient energy (nearly 1450 J at 200 m) for well-placed lethal shots. It is also very suitable for **beginners in big game hunting** or for shooters looking for a handy caliber.

- Recommended for deer, foxes and small cervids
- Good alternative for **open terrain** and precision shooting
- Very low recoil for optimal shooting comfort
