Optimize your experience with this tactical LED flashlight, offering power, versatility, and ease of use. A reliable ally in all situations.

The Skywoods L5A810 is an ideal tactical flashlight for outdoor activities, personal safety, and emergency response. Compact, lightweight, and easy to handle, it will be a perfect asset for rescue operations, airsoft sessions, or nighttime shooting practice.

Main Features:

Exceptional Light Output:

- The high-quality LED chip generates up to 480 lumens.
- Impressive radiation range of 180 meters.

Adjustable Hose Clamp:

- The 3-hole rail clamp is adjustable between 2cm and 2.2cm.
- Easy adjustment using the micro screwdriver included in the package.

High-performance battery:

- Built-in 500mAh battery allowing 1.5 hours of continuous use at full power.
- Easy recharging via the included magnetic charging port.

Practical Charge Indicator:

- Display in red while charging.
- The light turns green when it is fully charged.

Intelligent Usage Modes:

- Activating/Deactivating continuous mode by pressing the switch once.
- Activating strobe mode by holding the switch down for 2 seconds.
- In stroboscopic mode, a long press of 2 seconds completely deactivates the mode, preventing unintentional activation.
