Volumetric doser for black powder reloading.

Experience historical accuracy and timeless elegance with the 036U197000 Brass Powder Dispenser, designed by Davide Pedersoli, the master of traditional gunsmithing.

Technical characteristics :

- **Material:** Premium brass, ensuring durability and corrosion resistance.
- **Capacity:** Designed to provide precise powder measurement, this doser allows easy adjustment for loads ranging from 0 to 546 g, with unrivaled precision.
- **Design:** Inspired by historical models, its elegant and functional design makes filling and dispensing powder easy, while adding a touch of authenticity to your equipment.
- **Versatility:** Ideal for reloading black powder weapons, whether for hunting, sport shooting or historical reenactment.
- **Ease of use:** Equipped with a simple adjustment system, this dispenser allows rapid and precise selection of the quantity of powder, ensuring safe and efficient use.
