Discover the power and precision at your fingertips with the Albainox 32704 folding saw: your essential ally for effortless cutting in all your adventures and jobs!

The Albainox 32704 folding saw combines robustness, functionality and design to meet the needs of amateurs and professionals alike. Designed for multi-purpose use, it is ideal for outdoor activities, camping, hiking, or even for some gardening and DIY work.

- Blade length: 18 cm
- Handle length: 22.5 cm
- Total length: 40.5
- 3Cr13Mov steel blade
- Lock: Back Lock

Features :

- **Blade:** The 18 cm blade is made from 3Cr13Mov stainless steel, known for its corrosion resistance and its ability to maintain a sharp edge over a long period of time. Its size and composition ensure efficient and precise cutting on different materials.
- **Handle:** The 22.5 cm handle combines ABS and rubber in an ergonomic design, providing a secure and comfortable grip. The choice of orange and black is not just aesthetic; it also guarantees increased visibility of the tool in different environments.
- **Total Size:** Once unfolded, the saw reaches a total length of 40.5 cm, perfectly combining the blade and handle for optimal balance and efficient use.
- **Type of Lock:** Equipped with a Back Lock locking system, it guarantees maximum security during use. This robust mechanism prevents any accidental closing of the blade during work.
- **Weight:** With a weight of 206g, it offers an excellent balance between durability and ease of transport. Light enough to take anywhere, yet sturdy enough for demanding cuts.

Use and Maintenance:

For optimal performance, it is recommended to clean and dry the blade after each use, in order to preserve its quality and extend its lifespan. Regular sharpening is recommended to maintain the

sharpness of the blade.

Conclusion :

The Albainox 32704 folding saw is a versatile and reliable tool, designed for those who demand the best from their equipment. Whether you are in the great outdoors or at home, it will meet your expectations with its performance and durability.
