A complete kit ready for action

The kit includes **2 ACEHIVE 2 grenades** and **1 Spawner** , a revolutionary tool that allows you to reload a grenade in **just 1 second** . Ideal for hardcore gamers and dynamic scenarios where every second counts.

Firing power: 80 BBs in a single blast

Each grenade fires up to **80 BBs** simultaneously, providing immediate area impact. Compatible with most **40mm airsoft grenade launchers** , it easily integrates into your existing setup.

Simple, visible and quick filling

Thanks to the grenade's **transparent casing** , the pellet loading process is visible in real time. The Spawner allows for direct and reliable feeding without tools, eliminating the risk of mishandling.

Reusable, robust and safe grenades

Designed exclusively for airsoft use, these grenades are **gas-powered** (gas not included), easy to re-arm, and made from impact-resistant materials. Their compact size makes them ideal for mobile players.

FAQ

Is this kit compatible with all 40mm grenade launchers?

Yes, ACEHIVE 2 grenades are compatible with the majority of 40mm launchers on the market (airsoft only).
