AJ758	Barnett Cobra slingshot	Vente libre	59.00 € incl. tax

The Barnett Cobra slingshot: a perfect fusion of performance, precision and comfort for slingshot enthusiasts.

The Cobra slingshot has reinvented the art of slingshots by offering unprecedented performance and precision. Featuring a unique front stabilizer and an advanced aiming system, this slingshot allows its users to hold their target with unrivaled precision, while reducing vibration. Each shot is thus perfectly balanced, guaranteeing optimal precision. Its profiled "soft-touch" handle ensures optimal comfort during use, making the Cobra an ideal and secure choice, especially for young slingshot enthusiasts.

Features:

- Advanced aiming system
- Single front stabilizer
- Profiled "soft-touch" handle for optimal comfort
- Magnum power bands for powerful shots
- Complete shooting guide with step-by-step instructions
- Removable wrist reinforcement for a personalized fit
- Comes with 10 x 38 caliber Hotshot steel ammo

Slingshots can provide a great introduction to hunting for young people, allowing them to hunt small game with ease and precision. Beginners can start using the included target ammo, then upgrade to Barnett steel ammo sets once they're ready to head out on their wilderness adventure.
