3-shot manual repeater crossbow: 3-shot magazine integrated into the barrel.

A recurve hand crossbow that combines the innovation of modern Barnett crossbows in a compact and easily maneuverable mini crossbow design.

- Integrated charger 3 lines
- Easy reset by lever integrated into the stock
- Integrated self-retracting strap
- Delivered with 5 Hyperbolt lines 7" (18 cm)

The Tri Strike offers a unique repeatable 3-round magazine, a smooth, single-stage cocking mechanism for fast, efficient reloads, and a deadly accurate adjustable fiber optic pistol sight. The flip-up tactical foregrip ensures a rock-steady platform when aiming, ready to release 72F" Demun™ Hyperbolts outward at speeds up to 180 feet per second. See your target, aim and release the Demun™ .

The Demun™ Tri Strike - a powerful combination of power and versatility.

- **3-shot repeater magazine**
  The Tri-Strike offers a unique, fast-reloading 3-round magazine, an industry first.
- **Reloading by breaking action**
  The design of the single-stage, break-action weapon allows for rapid and efficient reloading.
- **Load breaking design**
  A simple squeeze of the cocking lever and you're ready to reload, thanks to the Demun's smooth and consistent single-stage break-action design. When you finish your reload, the Demun's safety switch automatically engages, keeping your crossbow pistol's trigger locked and secure until you're ready to aim.
- **Front handle 'Flip-Down**
  Demun's Tactical 'Flip-Down' Grip offers both versatility and stability, with the ability to be used as a traditional grip or flipped down to transform your shooting position into a stable 'AR'

style platform like a rock. Our diamond-shaped knurled texture ensures your crossbow holds securely while you shoot.

- **Precision viewfinder**
  Choose your moment and lock on to your target every time with the lethal combination of a rear-mounted, picatinny rail-mounted adjustable fiber optic sight that aligns perfectly with a front-mounted fiber optic sight - working together to ensure precise placement of the crossbow bolts when you send them into the shooting range.
- **Cocking thumb grip**
  Attention to detail should not only look good, it should also feel good! Demun's cocking handle, made of textured, soft-touch TPE, puts safety and comfort at the forefront and provides a solid grip in the optimal position on your pistol crossbow, allowing you to smoothly and steadily activate the mechanism quick-action cocking device.
- **HyperBolt™ 7-2F Bolts**
  x 5 included
  HyperBolt™ 7 Inch, 2 Fletch, Mini Crossbow Bolts which are exclusively compatible with the DEMUN™ TRI-STRIKE and its first patented 3-Shot 'Rapid Reload' magazine. Reloading your mini crossbow has never been easier with the ability to load 3 bolts at once, priming each shot with the TRI-STRIKE's patented break-action cocking design and keeping you on target by sending your HyperBolts™ fly down the range, back to back with breathtaking speed.
