## This professional spray inflicts an intense burning sensation, effective in stopping its attacker.

CONCORDE DEFENDER PRO is a defense aerosol in the form of a professional pepper spray developed in partnership with law enforcement with immediate incapacitating effects.

It stops an attacker by forcing him to close his eyes and inflicting an intense burning sensation on his skin. Developed for the police and the army, this product is also suitable for use by individuals in self-defense. Its gel formula is less sensitive to wind and allows use inside a room.

Defender Pro spray is available in 3 packagings offering specific benefits:

**The 25 ml Defender Pro Spray:**

- The most compact on the market with a capacity of 25 ml
- Discreet, it fits easily into a handbag, document holder, etc.
- Rotating flap to prevent accidental splashes into the bag. Easy and quick rotation
- Optimized jet: Projection in large drops to minimize the risk of return and increase the target hit rate .

**The 50 ml Defender Pro Spray:**

- Large upper safety valve for use with or without gloves.
- Guard at the base of the nozzle preventing the index finger from getting in front of the jet.
- Super-powerful flow: Projection up to 5m

**The 100 ml Defender Pro Spray:**

- Actuator with metal tip for greater projection distance and increased precision.
- Stainless steel handle screws to prevent corrosion. Durability and strength ensured.

- Super-powerful flow: Projection up to 6m
