**Ensures safe and precise trigger adjustment.**

Made from machined aluminum and steel, it will withstand years of use. The gauge features a rolling detent shoe, a "T" handle, a sliding indicator that holds the highest weight, and a zero adjustment dial. The gauge reads from 0 to 12 pounds in 2-ounce increments and is also equipped with a hanging loop for storage.

Just press the "ready" button and weigh your trigger! This device also remembers the last ten measurements taken to give you the average starting weight of your weapon.

Easy to store in its plastic box.

- Digital display
- Comes with plastic storage box
- Runs on 9v 6LR61 battery (not included)
