- **frame material:** forged stainless steel
- **cylinder head material:** forged stainless steel
- **plates:** checkered wood
- **sights:** front white dot / rear sight
- **safeties:** manual safety, firing pin safety, magazine safety

A tribute to the Browning GP35

The **Tisas ZIG14 Stainless** incorporates the lines and ergonomics of the legendary Browning GP35, while benefiting from modern manufacturing processes. Its stainless steel finish gives it a timeless style and excellent wear resistance.

Balance and shooting comfort

With its low weight and low center of gravity, this pistol ensures a comfortable grip and smooth aim. The checkered wooden grips add a traditional touch and ensure a good grip.

Precision and sensations

The 118.5 mm barrel and the sight line of more than 16 cm promote a clear and regular aim. The single action trigger, calibrated at 2.5 kg, provides a clear and constant break, appreciated for sport shooting and in particular TAR.

Forged stainless steel

Forged stainless steel ensures strength and longevity, while effectively resisting corrosion. This material also allows for a smooth and durable slide, even after thousands of firing cycles.

White dot sights

The **white dot** sighting system improves target readability, even in low light conditions. Combined with a precise rear sight, it facilitates rapid aim acquisition.

- **line of sight length:** 163.7 mm
- **finishes:** brushed stainless steel
- **rear sight and front sight:** dovetail
- **style:** modernized GP35 replica
