A ramp designed for the terrain

Whether on a long hike through the woods or moving between two posts, this **full-grain leather sling** provides exceptional comfort. The leather, naturally supple yet durable, gradually molds to the shape of your body for a comfortable fit.

The choice of full-grain leather

Genuine leather is instantly recognizable by its subtle, natural markings. Here, no surface treatment masks the material: this guarantees excellent durability and a unique patina that develops over time. A choice appreciated by discerning users.

Ergonomics and support

Its variable width allows for a good compromise between shoulder comfort and discretion. The thinner ends facilitate attachment, while the wider section effectively distributes the weapon's weight.

FAQ

Will leather change over time?

Yes, full-grain leather develops a natural patina. It becomes more supple and takes on a unique appearance with use.

Is this sling compatible with all rifles?

It is compatible with weapons equipped with traditional button or fastener attachment systems.

What kind of care is required for leather?

Regular maintenance with a special leather balm helps to retain suppleness, resistance and aesthetics over time.
