Explore Putange mole trap tents, an essential tool for effective control of moles in your garden. Thanks to this set of 10 tents, the capture of these pests is made easier, thus preserving your lawn and your plants.

Replaces the original Putange wall relaxations lost in the galleries.

Putange mole trap tents offer a number of significant advantages:

- Pack of 10 tents: Have enough tents to cover all the mole tunnels in your garden.
- Proven Effectiveness: These tents are specifically designed to attract moles and successfully capture them.
- Protecting your garden: By eliminating moles, protect your lawn and plants from damage caused by these pests.
- Remarkable Quality: Made with durable and resistant materials, these tents ensure guaranteed longevity.

This set of 10 tents makes capturing these pests easier, preserving your lawn and plants. For maximum effectiveness, we recommend wearing gloves when handling this trap to avoid leaving your own scent.
