High-strength translucent magazine for AR15 MILSPEC.

The **Amend2 Mod-C 30-round magazine** is designed for optimal reliability with **MILSPEC AR15** platforms. Made in the USA, it combines robustness, durability, and load visibility.

- **Capacity:** 30 shots
- **Compatibility:** AR15 MILSPEC standards
- **Material:** High-strength translucent polymer
- **Resistance:** heat, chemicals, impacts
- **Follower:** 4 self-lubricating anti-tilt points
- **Spring:** stainless steel, non-memory, corrosion-resistant
- **Made** in the USA
- **Finish:** non-slip texture

Tactical design and immediate visibility

The **Amend2 Mod-C** 30-round magazine features an innovative **translucent polymer** structure, allowing for at-a-glance visualization of the magazine's charge level. This tactical transparency facilitates ammunition management in dynamic situations. Its reinforced body resists **high temperatures** , **chemicals** , and impacts, while maintaining a low weight.

Enhanced mechanical reliability

The internal system features a **4-point anti-tilt follower** , minimizing the risk of cartridge tilt or jamming. This self-lubricating component ensures smooth feeding, even during sustained firing. The **stainless steel spring** with no memory guarantees consistent pressure, even after prolonged storage.

MILSPEC compliant and 100% USA made

This magazine is entirely **Made in the USA** , with components conforming to MILSPEC specifications for perfect compatibility with standard AR15s. It is designed for shooters seeking a durable, reliable accessory with a practical design for sport shooting or training.

FAQ
