Controlled stopping power for a clean and efficient flush.

The **CCI Gamepoint .17 HMR** is a rimfire ammunition developed for hunting small and medium game. Equipped with a 20-grain **Gamepoint Soft Point** bullet, it promotes controlled expansion on impact, for high stopping power while preserving the venison. With a muzzle velocity of around 723 m/s, the Gamepoint guarantees a taut trajectory and consistent accuracy, even at medium ranges. Ideal for shooting rabbits, foxes or other small predators, it is popular with hunters looking for high-performance and consistent ammunition. Made in the United States, it benefits from **CCI** production quality, a guarantee of reliability in the field.

Ammunition dedicated to demanding hunters for precise and clean shooting.

Precision and taut trajectory

The **CCI Gamepoint .17 HMR** develops a muzzle velocity of approximately 737 m/s, ensuring a taut trajectory and remarkable accuracy.

Controlled expansion

Thanks to its **Soft Point** warhead, the Gamepoint promotes moderate expansion on impact, limiting unnecessary damage and preserving the **quality of the venison** .
