Discreet and ambidextrous belt clip

Amend2's **Techna Clip** line allows you to carry your **GLOCK** without a traditional holster. The hardened spring steel clip attaches in place of the slide's rear plate. Installation takes only 5 minutes, requires no permanent modifications to the firearm, and can be mounted on either the right or left side.

Comfort and safety of wearing

The discreet design allows for **wear inside a belt, in a pocket, or on the back** without creating visible bulk under clothing. The **Teflon coating** protects the zipper from abrasion, and the secure clip ensures a firm fit in all situations.

Wide compatibility and easy accessorizing

The Techna Clip comes with everything you need: **a milled backplate** , screws, and an Allen key. It is compatible with most GLOCK pistols from the 17 to 36 series, including **Generations 1 through 5** .
