CA800	Borner XSB1 4.5mm 7.5J rifle	D	.177 (4.5 mm)	1	7.5	190	42	101	115.00 € incl. tax

The Borner XSB1 air rifle breaks with effort, ideal for practical and sport shooting.

The rifle is equipped with a dovetail rail for mounting an optical sight. The Borner XSB1 has an automatic safety, which completely blocks the trigger when cocked. The stock features an ergonomic pistol grip for a more comfortable grip. The practical aiming devices, thanks to the colored front sight and rear sight, contribute to precise aiming. Before each shot, the safety must be manually deactivated. The barrel is rifled, made of steel. The rifling inside the barrel creates rotation for the bullet when fired, greatly increasing the accuracy of the shot.

- Caliber 4.5mm
- Power: 7.5 J
