The best way to determine the accuracy of your rifle and ammunition is to shoot from a solid bench and quality shooting rest.

Featuring cast iron construction, independently adjustable legs, and an adjustable, locking drum rest, The Rock helps you eliminate the variables that cause you to miss your target.

- Scattered footprint on a cast iron base
- The 2.20 cm diameter steel turret allows for quick and smooth elevation adjustment up to a height of 18.42 cm.
- The 3 leveling feet allow it to rest on almost any surface.
- The fork stop ensures consistent stock positioning from shot to shot.
- The forearm cradle is designed to accept all Caldwell® Deluxe Universal Forearm Support Bags.
